

The Oxleas Children's Occupational Therapy Team together with the Royal Greenwich ASD Outreach Team are offering parents and main carers of children and young people with sensory processing difficulties the opportunity to learn and understand about

MANAGING YOUR CHILD'S SENSORY NEEDS AT HOME

The parent training will be run over two half days: 9.30am - Midday

on

Friday 16th February 2018

AND

Friday 23rd February 2018

At

Ferryview Health Centre,

25 John Wilson Street,

Woolwich

London

SE18 6PZ

This training will cover:

- **Understanding and exploring the different sensory systems**
- **How these systems can impact on behaviour and daily life**
- **Practical Home strategies and advice to support your child's sensory development**
- **You will also have the opportunity to meet with other families and discuss your own experiences and ideas**

Please apply as soon as possible by contacting our Admin Team for Greenwich Children's Therapy Services: 0208 8368621. Places for the training are limited to 20. This is a carer only group and child-care cannot be provided.
